

# FALL COUNCIL MEETING

Friday, October 5<sup>th</sup>, 2018

11:00 A.M. Central Time

Village Inn, 1906 Rue St.

Council Bluffs, Iowa

Dear Board, Committee Chairs and Presidents,

Please join me, just across the Missouri River, for our Fall Council meeting. As State Day is in the West at Gering this April, I thought it would be nice to have the Fall meeting in the East. When Wayne offered his home to tour, it sounded like the perfect place to meet and tour!

We will have our meeting at the Village Inn over pancakes and then tour Quester Wayne Andersen's beautiful historic home. Many of you know Wayne as he has served as State Treasurer for several years. His home was just placed on the National Registry of Historic Places. Congratulations!

As this is the home of several casinos, I looked into prices for rooms at Harrah's and Ameristar. They run about \$99.00 + tax but there are smaller hotels on Interstate 29 or in town that are cheaper such as Holiday Express or Country Inn if you are staying overnight.

If you cannot attend, please send a short report to me and Secretary Clare Baylor to update us on your activities.

Please RSVP by September 26<sup>th</sup>
